

BECOME A CHSPE TESTING SITE

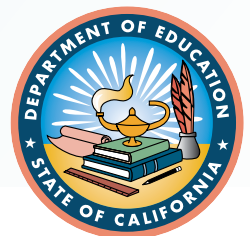

California High School Proficiency Exam (CHSPE)

Is your site interested in an opportunity to help students earn a Certificate of Proficiency, which is equal by law to a California high school diploma? CHSPE is seeking out additional exam locations with proctorial staff available for hire.

The CHSPE exam provides students with an alternative opportunity to address their unique and individualized educational path. To accommodate statewide testing, various regional exam locations are needed.

Note: Testing site agreements will be established upon approval. Sites and staff will be compensated based on the appropriate fee schedule.

Please contact the CHSPE office at the Sacramento County Office of Education at 866-342-4773 or chspe@scoe.net for additional information.
